COPY 1 OF 2

cy 2 of 2 destroyed

May 28, 1956

George:

Attached is a copy of a letter from WAS concerning the loss of an A-2 configuration. I would suggest that you indicate your desire to have another A-2 configuration made to replace this loss using such parts as are salvagable. This also applies to the Tracking Camera.

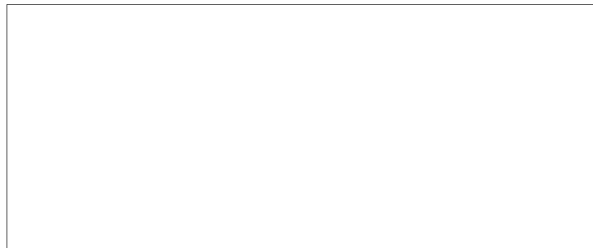

As soon as we have some such indication from you, we will tell WAS to go ahead and we shall proceed with another Tracker.

Jim

TWM/dmg

att: WAS letter 5-23-56.
